February 28, 2008

Dear Mr. Urban:

Effective immediately, I am denying you and your programs access to DCPS campuses.

I understand that you held a club meeting on February 27, 2008 at Stuart-Hobson Middle school without completing stated requirements, with which you agreed, per a meeting with my staff and in subsequent correspondence.

You may contact me directly at my office to discuss.

Sincerely,

A handwritten signature in black ink, appearing to read "Michelle A. Rhee", with a long horizontal flourish extending to the right.
